PROFESSIONAL SUMMARY

Senior Digital Merchandiser and e-commerce P&L owner with 4+ years at Azadea Group, leading full digital trading for **Boggi Milano** and **Salsa Jeans** across Azadea.com and Boggi Milano's regional mono-brand site. Commercial scope covers trading calendar, merchandising, CRM, pricing, promotions, product content, and budget forecasting across 5 markets. Strong record of growing sales, improving conversion, scaling market launches, and deploying AI-driven automation to improve team efficiency and content quality.

PROFESSIONAL EXPERIENCE

Senior Digital Merchandiser

Oct 2024 – Present

Azadea Group · Dubai, UAE

Full P&L ownership across **Boggi Milano** (premium Italian menswear) and **Salsa Jeans** (premium denim) — and previously Trendyol — managing Azadea.com across 5 markets and Boggi Milano's mono-brand site (**65% of total Boggi digital revenue**).

- ◇ Grew Boggi Milano UAE on Boggi.com by **+54% YoY** — AOV **\$350**; conversion rate doubled from **0.7% to 1.4%** through PLP/PDP optimisation, editorial pages, and CRM activations.
- ◇ Launched Boggi Milano into **Lebanon and Egypt (Feb 2026)** — end-to-end website setup, product onboarding, CRM activation, and budget forecasting; both markets live within agreed timelines.
- ◇ Drove **+25% incremental sales** above baseline via VIP customer segmentation campaigns — built segments, briefed campaigns, and tracked commercial outcomes post-launch.
- ◇ Own full customer journey for Boggi Milano's mono-brand site — catalogue, CMS, campaign calendar, sorting, onsite search, and weekly trading reviews across 5 markets.
- ◇ Own e-commerce reporting for **15 brands** across Azadea Group — direct a Data Analyst delivering 7 weekly reports; saves **600+ man-hours annually**.
- ◇ Line-manage **Deona (Associate Digital Merchandiser)** — progressive development programme; promoted to independent contributor within **10 months**.
- ◇ Trendyol: delivered **+40% YoY sales growth**, **+10% EBITDA growth**, **7× ROAS**; introduced WhatsApp CRM and led Azadea's first market launch in Iraq.

AI & Automation — Built & Deployed

AI Content Tool: Brand-compliant, SEO-optimised product copy with auto Arabic translation. Turnaround from 7 days → 2 hours. Saves **140+ hours/month**.

Stock Script: Audits in-stock/OOS sizes at SKU level — enables data-led ranking & de-ranking decisions.

Scraping Pipeline: Extracts product data from global brand sites for local onboarding. Accelerated onboarding by **~60%**; saves 8–10 hours per collection drop.

Image Tool (Reserved): Resolved catalogue imagery gaps — directly contributed to **+40% YoY sales uplift**.

Digital Merchandiser

Apr 2023 – Oct 2024

Azadea Group · Dubai, UAE

Launched and scaled Trendyol on Azadea.com. Delivered **+75% vs sales budget**, **+85% gross-to-net**, **2.5% conversion rate**.

- Directed Azadea.com **Black Friday campaign** end-to-end — **+36% sales YoY, +38% CR YoY, +15% new customer growth YoY.**
- Implemented SFCC product ranking and sorting rules — **+20% range visibility** across top 50 product listers.
- Onboarded **11 brands within 12 months** — product setup, launch plans, supplier negotiation, and legal compliance.
- Managed stock performance via weekly fragmentation analysis, OOS monitoring, and range gap alignment.

Associate Digital Merchandiser

Azadea Group · Dubai, UAE

Aug 2021 – Apr 2023

- Managed 17+ brands across 4 markets (UAE, Kuwait, Qatar, Lebanon) — trading reports in GA, QlikView, and Power BI.
- Led launch of **adidas.com in Lebanon** — full category hierarchy, product data setup, and catalogue operations.
- Briefed Tech & Development on UI/UX improvements — tracked impact on customer journey and conversion.

E-Commerce Executive (Intern)

Azadea Group · Dubai, UAE

Feb 2021 – Aug 2021

- Designed the full **Azadea.com category taxonomy** — navigation architecture adopted across all markets.
- Listed and optimised **30,000+ SKUs** on SFCC for visibility, categorisation, and content standards.
